Anything is Pawsible

2,102,400 minutes! 2,102,400 journeys to plan. 2,102,400 minutes - how can you measure the life of a dog? NO, this isn't the start to the musical RENT. Instead, it's our way of illustrating how good things come to those who wait. And did Brooklyn ever have to wait. Brooklyn came to us emaciated, sickly and with little trust in people. Over the years not only did she get healthy, she became a loving dog with an outgoing personality. Yet, people still walked by and didn't take a chance on her. Well, she hit the jackpot this year. Her mom took one look at her and said she's the gal for me. Her mom has been sharing photos and keeping us posted telling us "She has brought life, love, and laughter back into my home. She is a very quick learner and has mastered stairs and walking in the snow. Brooklyn has adjusted very well and is living her best life."

I'm **Genesis!** You say you're looking for an active, loveable, working dog??? That's amazing! Because I am an adventurous, loveable, working dog! You say you knew that? That you came here to the rescue looking for ME? Truly? YIPEE! I have been waiting **OVER 1,568 DAYS** for this moment! And yes, that makes me one of Paws Place longest residents. As some of you may know I had knee surgery in April 2021. Since then, I have been cleared for all activities and am ready to explore what the world has to offer. I even get to play with dogs again and love playing with my adoptable friend, Dexter! Some have described me as "needing to learn manners" but I prefer to think of myself as EXUBERANT and FUN-LOVING! I have already learned not to pull on a leash as much, 'sit', 'down' and 'off. Since I am a working breed and have lots of energy, if you're not the boss, I will be! HeeHee! I'd prefer confident leader to keep up with my training and help me be the best girl ever. I have a strong prey drive, so I'd prefer a home with no small animals too! The good news is, I am treat and snuggle motivated so I am willing to learn anything for them! You will love me; I guarantee it! So, who needs some BIG DOG LOVE? I'm ready to shower my forever home with affection!
