Meet Kella

Hey Hey! Its me Kella! As you may know, I have been through A LOT for just a 1 year old girl. However thanks to all of my friends here at PP I have been recovering well, and beyond ready to find my forever home! I am 43 lbs of pure love! I am itching to spoil my forever family with kisses, cuddles, and do all of the things a normal dog does! Ya know, go on walks, play in the yard, watch the Bachelor on the couch.. Normal doggo things! I don't want to keep you, but if you find yourself thinking about adding a new pup to your home... I am waiting! I hope to meet you soon!
