Paws Place Dog Rescue Volunteer Agreement & Guidelines

As a volunteer with Paws Place Dog Rescue, you will be required to abide by the terms of this agreement. This agreement details what Paws Place will expect from you and what you can expect from Paws Place.

- You will treat all animals, staff, other volunteers, and Board members with respect, and you agree to work as a team member.
- Paws Place Dog Rescue strives to maintain a workplace that is free from discrimination and harassment. Any volunteer who engages in discrimination or harassing conduct towards staff or other volunteers is subject for removal. By signing this Agreement, you agree to the Paws Place Dog Rescue Code of Conduct Policy provided to you as part of your orientation packet.
- We encourage you to ask questions, follow directions, give suggestions, or address problems to the management team or supervisor on duty.
- Although we greatly appreciate extra hands, we cannot allow volunteers to bring along friends or family unless they have completed paperwork and training. This is for the safety of volunteers and our animals.
- As a volunteer, please observe all signs posted on property, kennels, and dry board. If you notice any animal that shows signs of distress or sickness while you are here, (i.e., diarrhea, runny noses, limping, etc.) please report to supervisor on duty.
- If you are injured while volunteering, please report immediately to manager or supervisor on duty. An incident report will need to be filled out and you as well authorize Paws Place to seek medical treatment for you.
- As a volunteer, we ask that you can commit nine (9) hours per month. This helps you keep familiar with the animals and activities at the kennel.
- You will allow Paws Place Dog Rescue to use your likeness in a photograph, video or other digital media in any of its publications, including web-based publications, without payment or other consideration.
- Please note and understand that no weapons of any kind are permitted on the premises. This includes gun, knives, mace, or any other weapons. As well, we are a smoke free environment on all the property.
- You agree to indemnify and hold harmless Paws Place Dog Rescue, its employees, and Board Members from and against all liability arising out of or related to your duties under this agreement.
- If you are not able to abide by the terms of this agreement or are otherwise unable to meet the requirements of the Volunteer program you understand that you can and will be terminated from the program by Paws Place management or Paws Place Board Member.
