## **Anything Is Pawsible**

Did you hear the BIG news?? Miss Ellie has found her forever home. Ellie came from Pender County and had been there a couple of weeks with no luck finding a new home. Paws Place pulled her in February 2023 because we knew there was a GREAT dog accompanying those BIG BEAUTIFUL ears of hers. She was always very active and loved the playpen. She has always been food/treat motivated and learned commands very quickly. And of course she loved her toys. Yet, no one came to see her. Then, it happened. The PERFECT family came along, fell in LOVE and the rest is history! So after 472 days with us, she is where she belongs!

Hellllooooo! I am Mocha! How are ya? It is so nice to meet you! My pals say you are looking for a 48 lb, 1 1/2 year old brown dog.. hmmm well you must be looking for me then huh!? Well, isn't that amazing! I guess that means we're going to be best friends FOREVER!

Before we start this meeting, I do want to mention a few things. My human friends at PP say I am a 'Free Spirit' and that I beat to the rhythm of my own drum. This causes me to be better suited for a family who doesn't have small children, because sometimes I forget that I am not the size of a new born puppy. I like to play and sometimes I forget how to play carefully. I don't mean to. I just get so excited! I would also love to have a fenced in yard! I love to go on walks but I also love to run and play! Now that I've told you all of that, I feel much better! Come on, LETS GO!
